How to MAKE WORKING for peanuts PAY OFF by George Washington CARVER.

George Washington Carver made more than 300 products from peanuts. By doing so he revolutionized the agriculture of the South. And he made working for peanuts pay off.

Today, folks who buy U.S. Savings Bonds know how to turn peanuts into cold, hard cash. When you buy Bonds through the Payroll Savings Plan, you're letting those hard-earned dollars you make work for you automatically.

So join over 9½ million Americans who took a hint from a man who worked for peanuts. Buy United States Savings Bonds.

A few peanuts now can shell out a lot of savings tomorrow.

If Bonds pay 6% interest when held to maturity of 5 years (4.91% the first year), interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.
